

## **AURORA BOYS WOUNDED.**

Aurora, Oct. 24. Mr. and Mrs. M. Gillham have received word that both their sons have been wounded. Lieut. H. C. Gillham, M.C., who won the Military Cross at the time he was wounded at Vimy Ridge in the spring of 1917, is in hospital in England. He was Bombing Officer with the 27th Battalion. Sapper M. P. Gillham has been admitted to hospital in France suffering from gunshot wounds in the waist. He has been on active service since July, 1917.

## **"FLU" HITS COAL OUTPUT.**

Washington, Oct. 24.—Because of a decrease in production of nearly 200,000 tons of anthracite coal for the week ending October 12, and continued lessening of the output last week, due to Spanish influenza, Fuel Administrator Garfield to-day appealed to Surgeon-General Blue of the Public Health Service, to aid in checking the disease in the Pennsylvania anthracite field.
