

CURE FOR THE "FLU" CLAIMS TO HAVE

Dr. Geo. F. Boer of Pittsburg Says He Has Discovered Preventive

Pittsburg, Oct. 11.—Dr. George F. Baer of the Homeopathic Hospital here announced this afternoon that he has found a successful cure and preventive for Spanish Influenza. Dr. Baer said on tests patients suffering from the disease and having fever of 103 have recovered under the treatment, which also has proved a successful inoculation against the malady.

In announcing the result of experiments since the epidemic began, Dr. Baer said the preparation used is not a scientific secret, but a combination of iodine and creosote.

Kaiser is Now Guarded by Machine-gun Sections

(Copyright in Canada, 1918. Special Cable to The Globe and The New York Times.)

The Hague, Oct. 11.—Your correspondent learns from a person closely connected with the Krupps that when the Kaiser made his famous speech to his "friends" at Krupps he made it from a carriage which was surrounded by machine guns, and that he always goes out now guarded by machine guns. When 5,000 men were recently drafted from Krupps to be sent to the front they left slaking the Marsellaise. Many people in Germany expect a revolution of the German populace in about two months' time. My informant said he had already bought up enormous stores in Holland to be ready for his flight from Germany when the time comes.

Agree on Evacuation of Occupied Territory

(Canadian Press Despatch)

Basle, Switzerland, Oct. 11.—Vienna newspapers received here state that Germany and Austria are in perfect accord regarding the evacuation of occupied territory, and that pourparlers followed immediately the receipt of President Wilson's note. Twenty Deputies have been invited to a conference at the Imperial Palace of Emperor Charles, the papers say.
