What promises to be the tid-bit of the season in the City League football will be staged at Scarborough Beach grounds on Saturday afternoon, when Beaches tackle Central Y.M.C.A. The Beach fourteen have thus far met the weak Queen's team only, while Y.M.C.A. have stacked up against two opponents, viz., Arlingtons, in which they were forced into overtime for the decision, and last Saturday, when they won rather handily over Queen's Unique. Both teams play about the same style, and a good game should result. They are tied for first place at present.
