

Head Off Grippe or Spanish Flu by Using **ROSEALENE**

Rosealene has all the Bactericidal and Deodorant properties of Carbolic, with only 1-120th of its destructiveness, and has no odor.

Rosealene is, perhaps, the best air purifier, easily applied, low in cost, leaving no odor, and harmless to the flesh.

MR. INDUSTRIAL MANAGER

Purify the air in your factory, spray with Rosealene, a marked freshness will immediately result. It will pay you to do it.

MR. THEATRE MANAGER

Co-operate with the M.O.H. Your motto, health first. Ventilate and disinfect, your thoughtfulness will increase patronage. The Allen circuit of theatres are using Rosealene.

School Boards, Churches and hotels, get busy.

TO FIGHT THE GRIPPE

Rosealene will be sold in bulk of not less than one gallon at a reduction for the next 30 days of 50%. Fill coupon below. Ladies, try our perfumed disinfectant for your toilet, ask your druggist for a 25-cent bottle, or Woolworth's for 15 cents a bottle.

Gargle your throat, take nasal douche, useful for many purposes, you will not be without it.

Soldiers, amputated cases, "Rosealene," splendid for stumps.
