

## NAVY LEAGUE BRANCH STARTED IN AURORA

OFFICERS ARE CHOSEN AND  
STRENGTH ALREADY IS  
SEVENTY MEMBERS.

(Special Despatch to The Globe.)

Aurora, Oct. 10.—A branch of the Navy League of Canada has been organized here with 70 members.

H. W. Fleury is Chairman, W. J. Knowles, Vice-Chairman, and R. F. Morthey, Sec.-Treasurer.

The offer of A. T. Proctor of the use of several town lots for community school gardens next year has been accepted by the Horticultural Society. A committee has been appointed to secure fifteen additional members, so that the society can apply for the Government grant of money to carry on its work.

Albert Kelly of King City, Lance-Corporal of the 127th, has been awarded the Military Medal for capturing twelve Germans single-handed.

## CATHOLIC CHURCHES ARE TO SAVE FUEL

### Bishops of Ontario Urge Their People to Subscribe to Victory Loan

Two patriotic resolutions that will have a beneficial influence were passed by the Catholic Bishops of Ontario at a meeting in this city, when those present included the Archbishops of Toronto and Kingston and the Bishops of Sault Ste. Marie, London, Peterborough and Pembroke.

They passed a resolution requesting each Bishop to take steps to lessen the consumption of coal in the churches of his diocese during the winter by restricting all non-essential services. They also adopted a resolution urging all Catholics of the Province to subscribe, as far as their means will allow, to the coming Victory Loan.

Another resolution passed was one recommending to the military authorities, when there is cessation of hostilities, to facilitate the speedy return to Canada of young men who had been pursuing university studies prior to enlisting.

## Death Leaves Family Without Support

The family of Henry Hunter, a munition worker, 349 Morley avenue, are reported to be in rather straitened circumstances as a result of the death of Mr. Hunter. There are seven children and the mother is severely handicapped by reason of having lost one of her hands. Friends and neighbors are interesting themselves in behalf of the family.

The death of Mr. Hunter is said to have been caused by Spanish influenza.
