
FIGHTING IN MOUNTAINS.

Italians Damage Enemy Defensive System in Grappa Region.

(Canadian Press Despatch.)

Rome, Oct. 8. — The War Office communication, issued to-day, follows:

"Our batteries have damaged enemy defensive systems in the Gailthaler and Grappa regions. Our airships have bombed vital enemy centres in Trentino and on the Venetian plain."

ACCEPTS PROFESSORSHIP.

Mr. G. J. Mackay, B.A., assistant inspector of Industrial and Technical Education for some time past in Ontario, has resigned to accept the professorship of metallurgy at Queen's University.

Dr. G. A. Bingham has been seriously ill for several days with Spanish influenza. Dr. H. B. Anderson is in attendance.
