EPIDEMIC ON INCREASE.

Conditions in Army Camps in United States Less Favorable.

(Canadian Press Despatch.)

Washington, Oct. 18.—Reports to the Public Health Service to-day from 35 States showed that Spanish influenza still is on the increase in most parts of the country. Conditions in army camps also were less favorable, the 4,791 new cases reported to noon to-day showing that the disease apparently was stationary after the marked decline noted for several days.
