

## SIX DEATHS AT KITCHENER

*The Globe (1844-1936); Oct 9, 1918; ProQuest Historical Newspapers: The Globe and Mail*  
pg. 2

### SIX DEATHS AT KITCHENER.

Kitchener, Oct. 8.—Spanish influenza since last evening has claimed the following victims Mrs. W. E. Bourne; O Doerr, aged 28; Sylvester Wendling aged 9; Frederick C. Weber, aged 39; Roy Heldman, aged 1 year, and Mrs. W Steppler, aged 34.

### COUNCIL'S SYMPATHY.

Hamilton, Oct. 8.—The City Council to-night, after passing a resolution of sympathy with Mayor Booker and his family in the death of his son, Lieut Booker, who died of wounds in France adjourned till Thursday. Controller Wright spoke of the worth of the late Lieut. Booker, and said he was a fine type of young manhood.

### To Prevent Influenza.

Colds cause Grip and Influenza.—LAXATIVE BROMO QUININE Tablets remove the cause. There is only one "Brom Quinine." E. W. GROVE'S signature on box. 30c.
